

School of Engineering King Mongkut's Institute of Technology Ladkrabang  
Taking the graduate level seminar exam for the 2nd semester of academic year 2023

---

According to the Academic Support section of the Faculty of Engineering, the date for the graduate seminar exam has been scheduled for the second semester of the academic year 2023, from Wednesday, April 17, 2024, to Tuesday, April 30, 2024, as announced in the graduate work notification. The Academic Support Section has outlined the schedule for attending the seminar exams. Graduate students, lecturers, and observers must attend both the morning session at 9:00 a.m. and the afternoon session at 1:00 p.m. Regarding participation in the seminar exam, students are required to attend as follows:

1. Doctoral degree level

Doctor of Engineering Program	Attend at least 2 sessions
Doctor of Philosophy Program	Attend at least 2 sessions

2. Master degree level

Master of Engineering Program	Attend at least 2 sessions
Master of Science Program	Attend at least 2 sessions

Hence, this announcement has been made for awareness and adherence.

Announced on December 28, 2023
